

AMHA Team Morgan Challenge

★ How to form a team:

1. Teams must consist of 4 members. All participants must be AMHA members and must be junior exhibitors.
2. Teams must designate a team manager who is 18 years or older. The team manager may be a parent, trainer, or friend.
3. Teams must have a name.

Team Challenge event:

1. Team members may ride in any division. Points will be accrued in equitation, pleasure, carriage and dressage classes and Youth contests.
2. **Since Maine Morgan does not offer a dressage division, points may be accrued in the dressage classes and carriage classes. If you are showing in a division that does not offer junior exhibitor classes, those classes can count. Points will also be accrued in Horsebowl. 5 points will be given to each person that participates and points will also be accrued through finals results. In horsebowl you need not be on the same team as your Team Morgan members.**
3. There will be a 20-class team limit, not including Youth contests.
4. After each team member completes a class eligible for Team Challenge scores, team managers are responsible for reporting all team members' placings to the Team Challenge Coordinators; Selina Cloutier or representative in the concessions building. There will be a time limit to report placings: 15 minutes from the end of the session in which the class occurred. Classes that occur in the final session are to be reported immediately, so the Team Coordinator is not rushed while completing the scoring.
5. Teams will be placed by total points accumulated at the end of the show.
6. Any disputes about scoring must be handled by the team managers and the Challenge Coordinator.
7. Teams will be asked to be present (an attired to enter the ring) ringside prior to the last class of the last session.
8. Awards will be presented in the ring to the top three teams.
